

Deliver aid with *dignity*.

Who We Are

Philanthropic Roots

Left Behind Workers Fund

- \$38M Delivered to 25K undocumented workers during the pandemic.
- Existing systems weren't up to the challenge, **so we built our own.**
- Permanent Legislative Change: Benefit Recovery Fund

“Receiving this grant made me feel seen, that I mattered. That finally, for the first time, I was recognized in this country.”

-LEFT BEHIND WORKERS FUND RECIPIENT

Everyone **deserves a dignified experience** when applying for and receiving aid.

Aid often fails to reach those most in need.

- **17%** of households in the US earning < \$25,000 a year are unbanked.
- **13%** of Black and **10%** of Hispanic households in the US are **unbanked**.
- **11M** people in the US are **undocumented**.
- **3.7M** people in the US are **housing insecure**.
- **15%** of adults in the US are “smartphone-only” internet users.

Trusted by the institutions at the leading edge of social innovation

- Powering America's largest Guaranteed Income Programs
- Tech backbone behind the nation's first unemployment assistance program for undocumented workers
- TPA behind D.C.'s Historic Early Childhood Educator Pay Equity Program
- Distributor of Direct Cash for Rental Assistance and Wildfire Relief During Covid

New \$42M guaranteed income program is using innovative tech to distribute funds

It's the nation's largest guaranteed income program.

By [Chase DiBenedetto](#) on September 14, 2022 [f](#) [t](#) [v](#)

Colorado is about to launch the country's first unemployment fund for undocumented immigrants

Undocumented workers contribute heavily to the economy, yet are shut out of unemployment benefits.

Use Cases

For Government

Featuring Offline Mode

Disaster Relief and Recovery

Leverage AidKit's offline mode to reach remote and distressed communities on the ground or send digital enrollment forms if service is intact.

Featuring Direct or 3rd Party Payments

Rental Assistance

Provide critical resources to directly to renters or pay landlords and utility companies on their behalf.

Featuring Equitable Selection

Guaranteed Basic Income

AidKit powers the nation's largest guaranteed income programs with equitable lotteries, high-volume reviews, and all the tools needed for a successful pilot or program.

Use Cases

For Government

Featuring Recurring Claims and Appeals

Public Benefits Modernization

AidKit delivers expert services to adapt our innovative platform to fit the needs of even the most complex government benefit systems.

Featuring Virtual Case Management

Refugee Resettlement & RCA

Enroll and pay banked and unbanked refugees remotely or in person and communicate via text message in the recipients' preferred language.

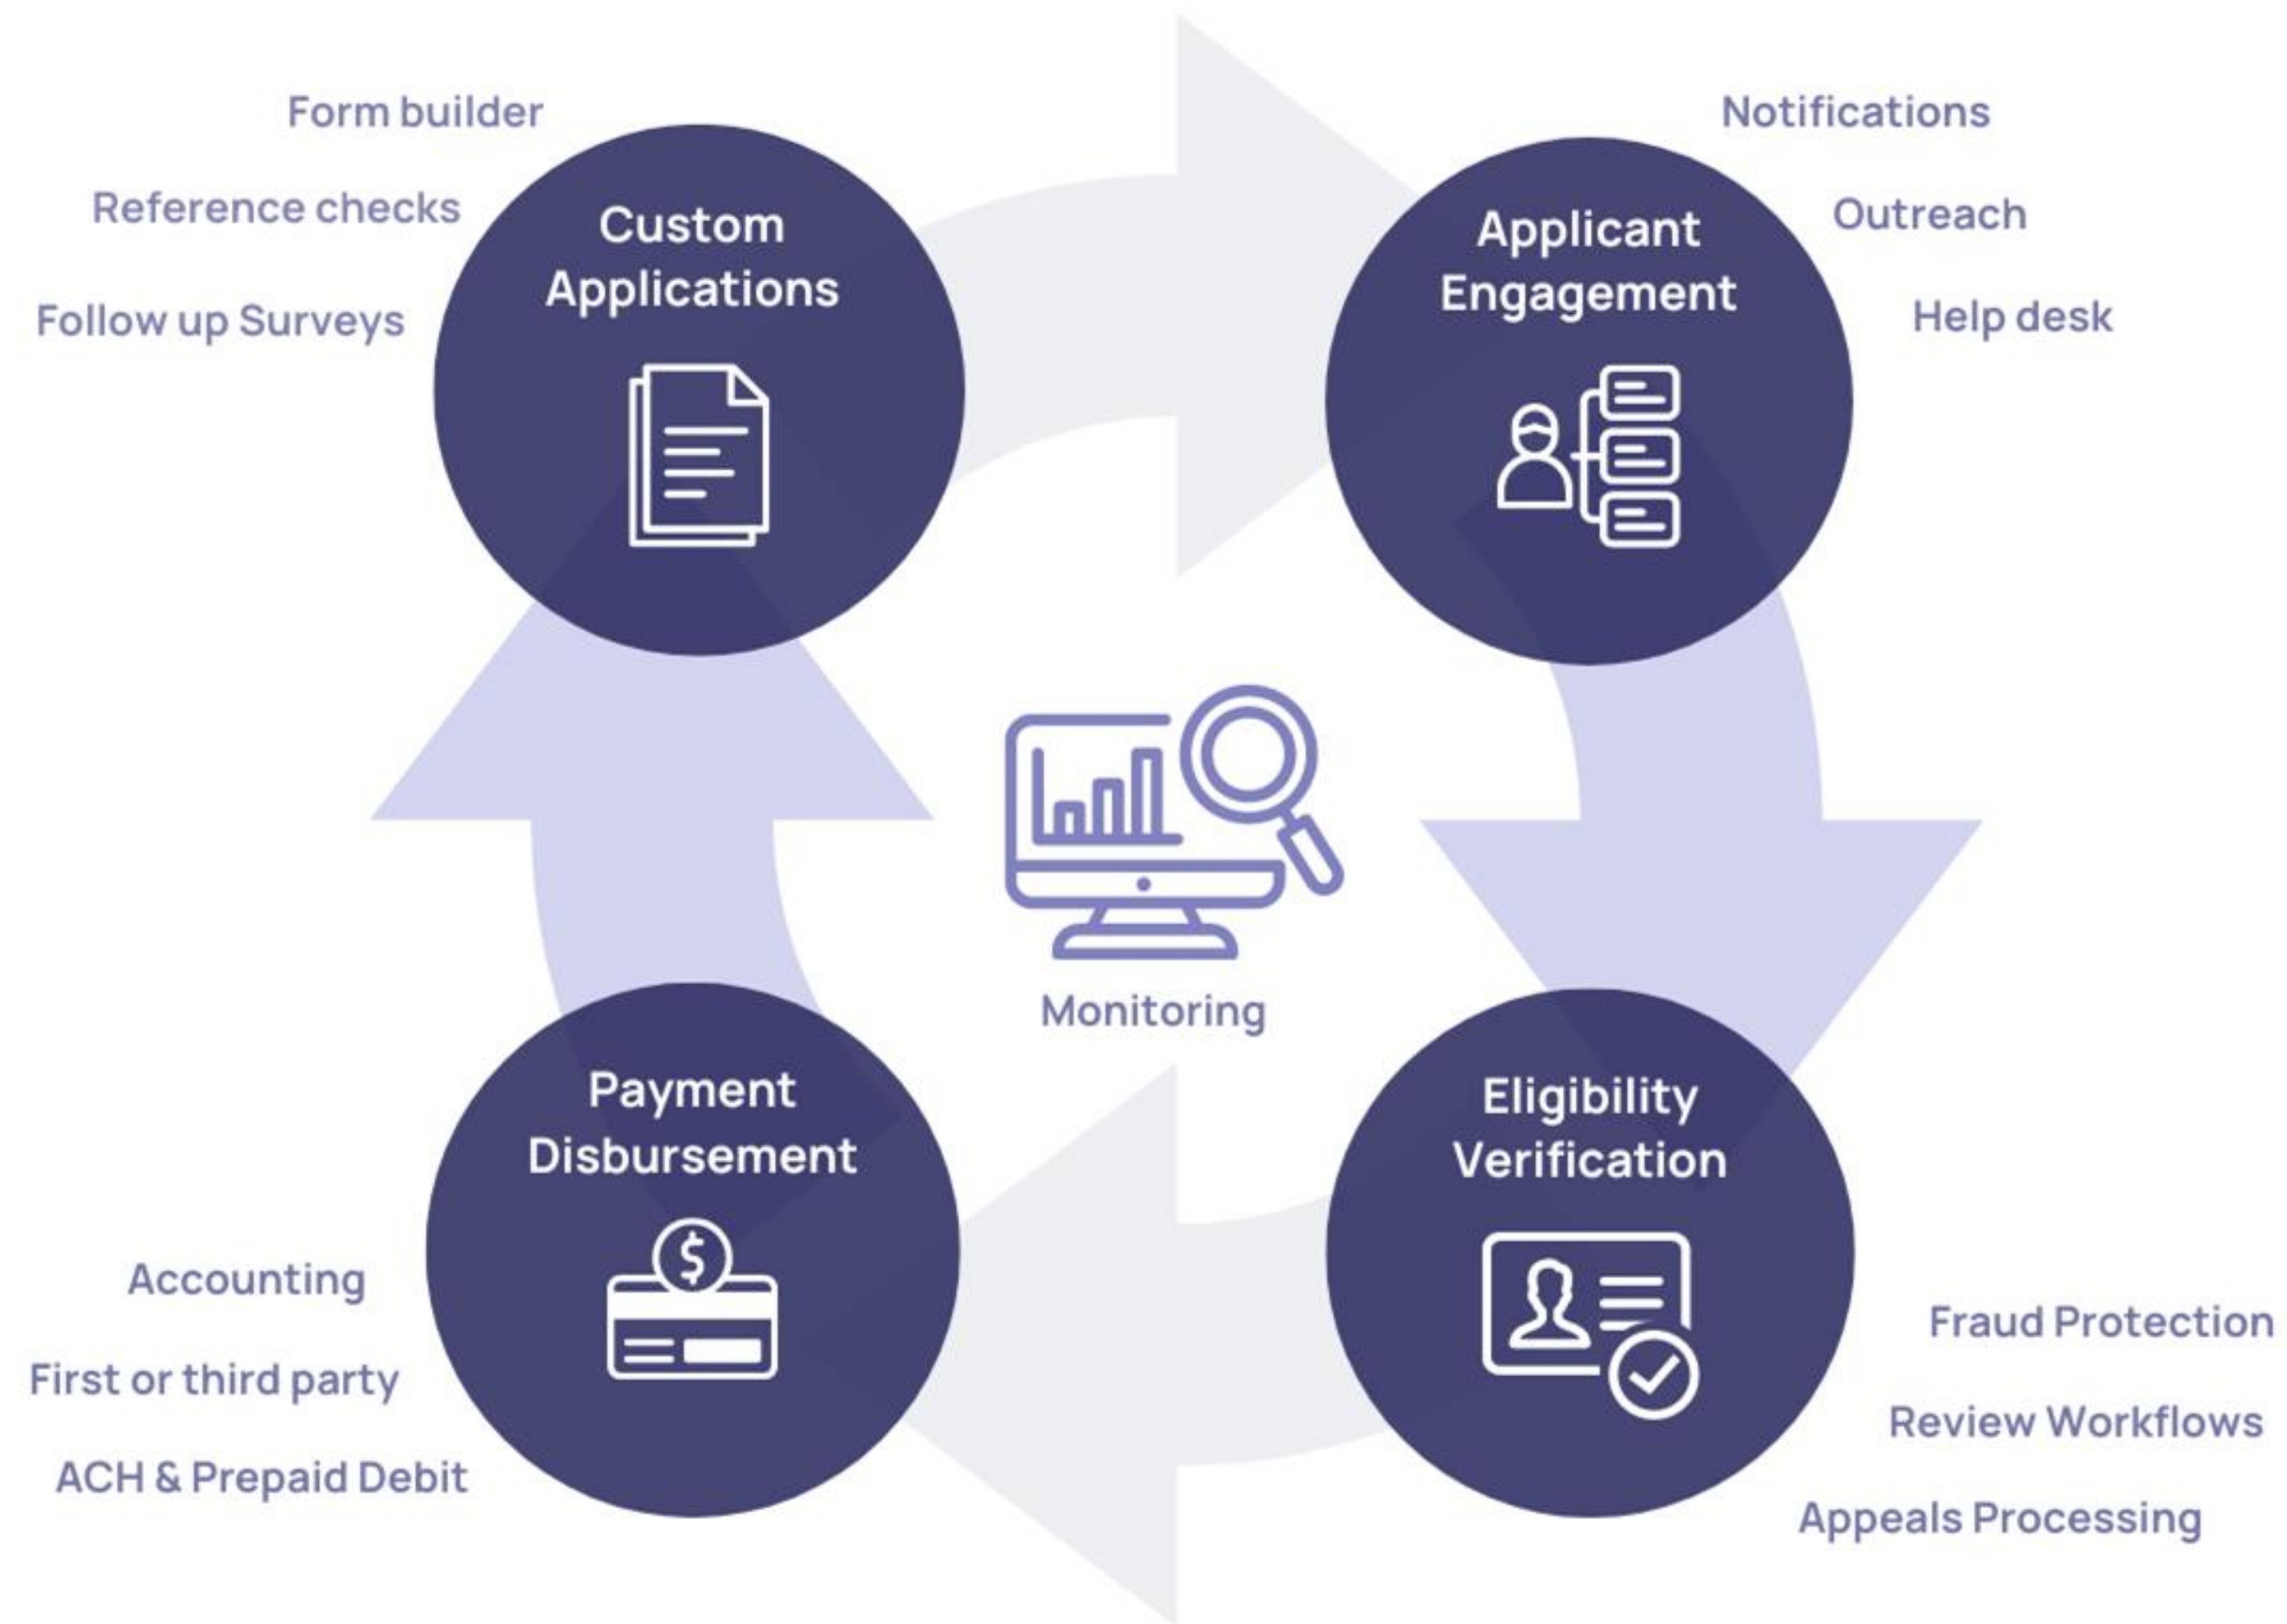

Featuring Bespoke Database Integration

Wage Subsidies

Integrate with workforce registry databases to power wage subsidy programs, promoting retention in crucial sectors such as healthcare and early childhood education.

End-to-End Solution

- Custom Solutions for complex programs
- Visibility throughout the aid lifecycle
- Robust case management and messaging
- Custom workflows
- Rigorous fraud mitigation functionality and simultaneous protection of PII
- Administration of follow up surveys

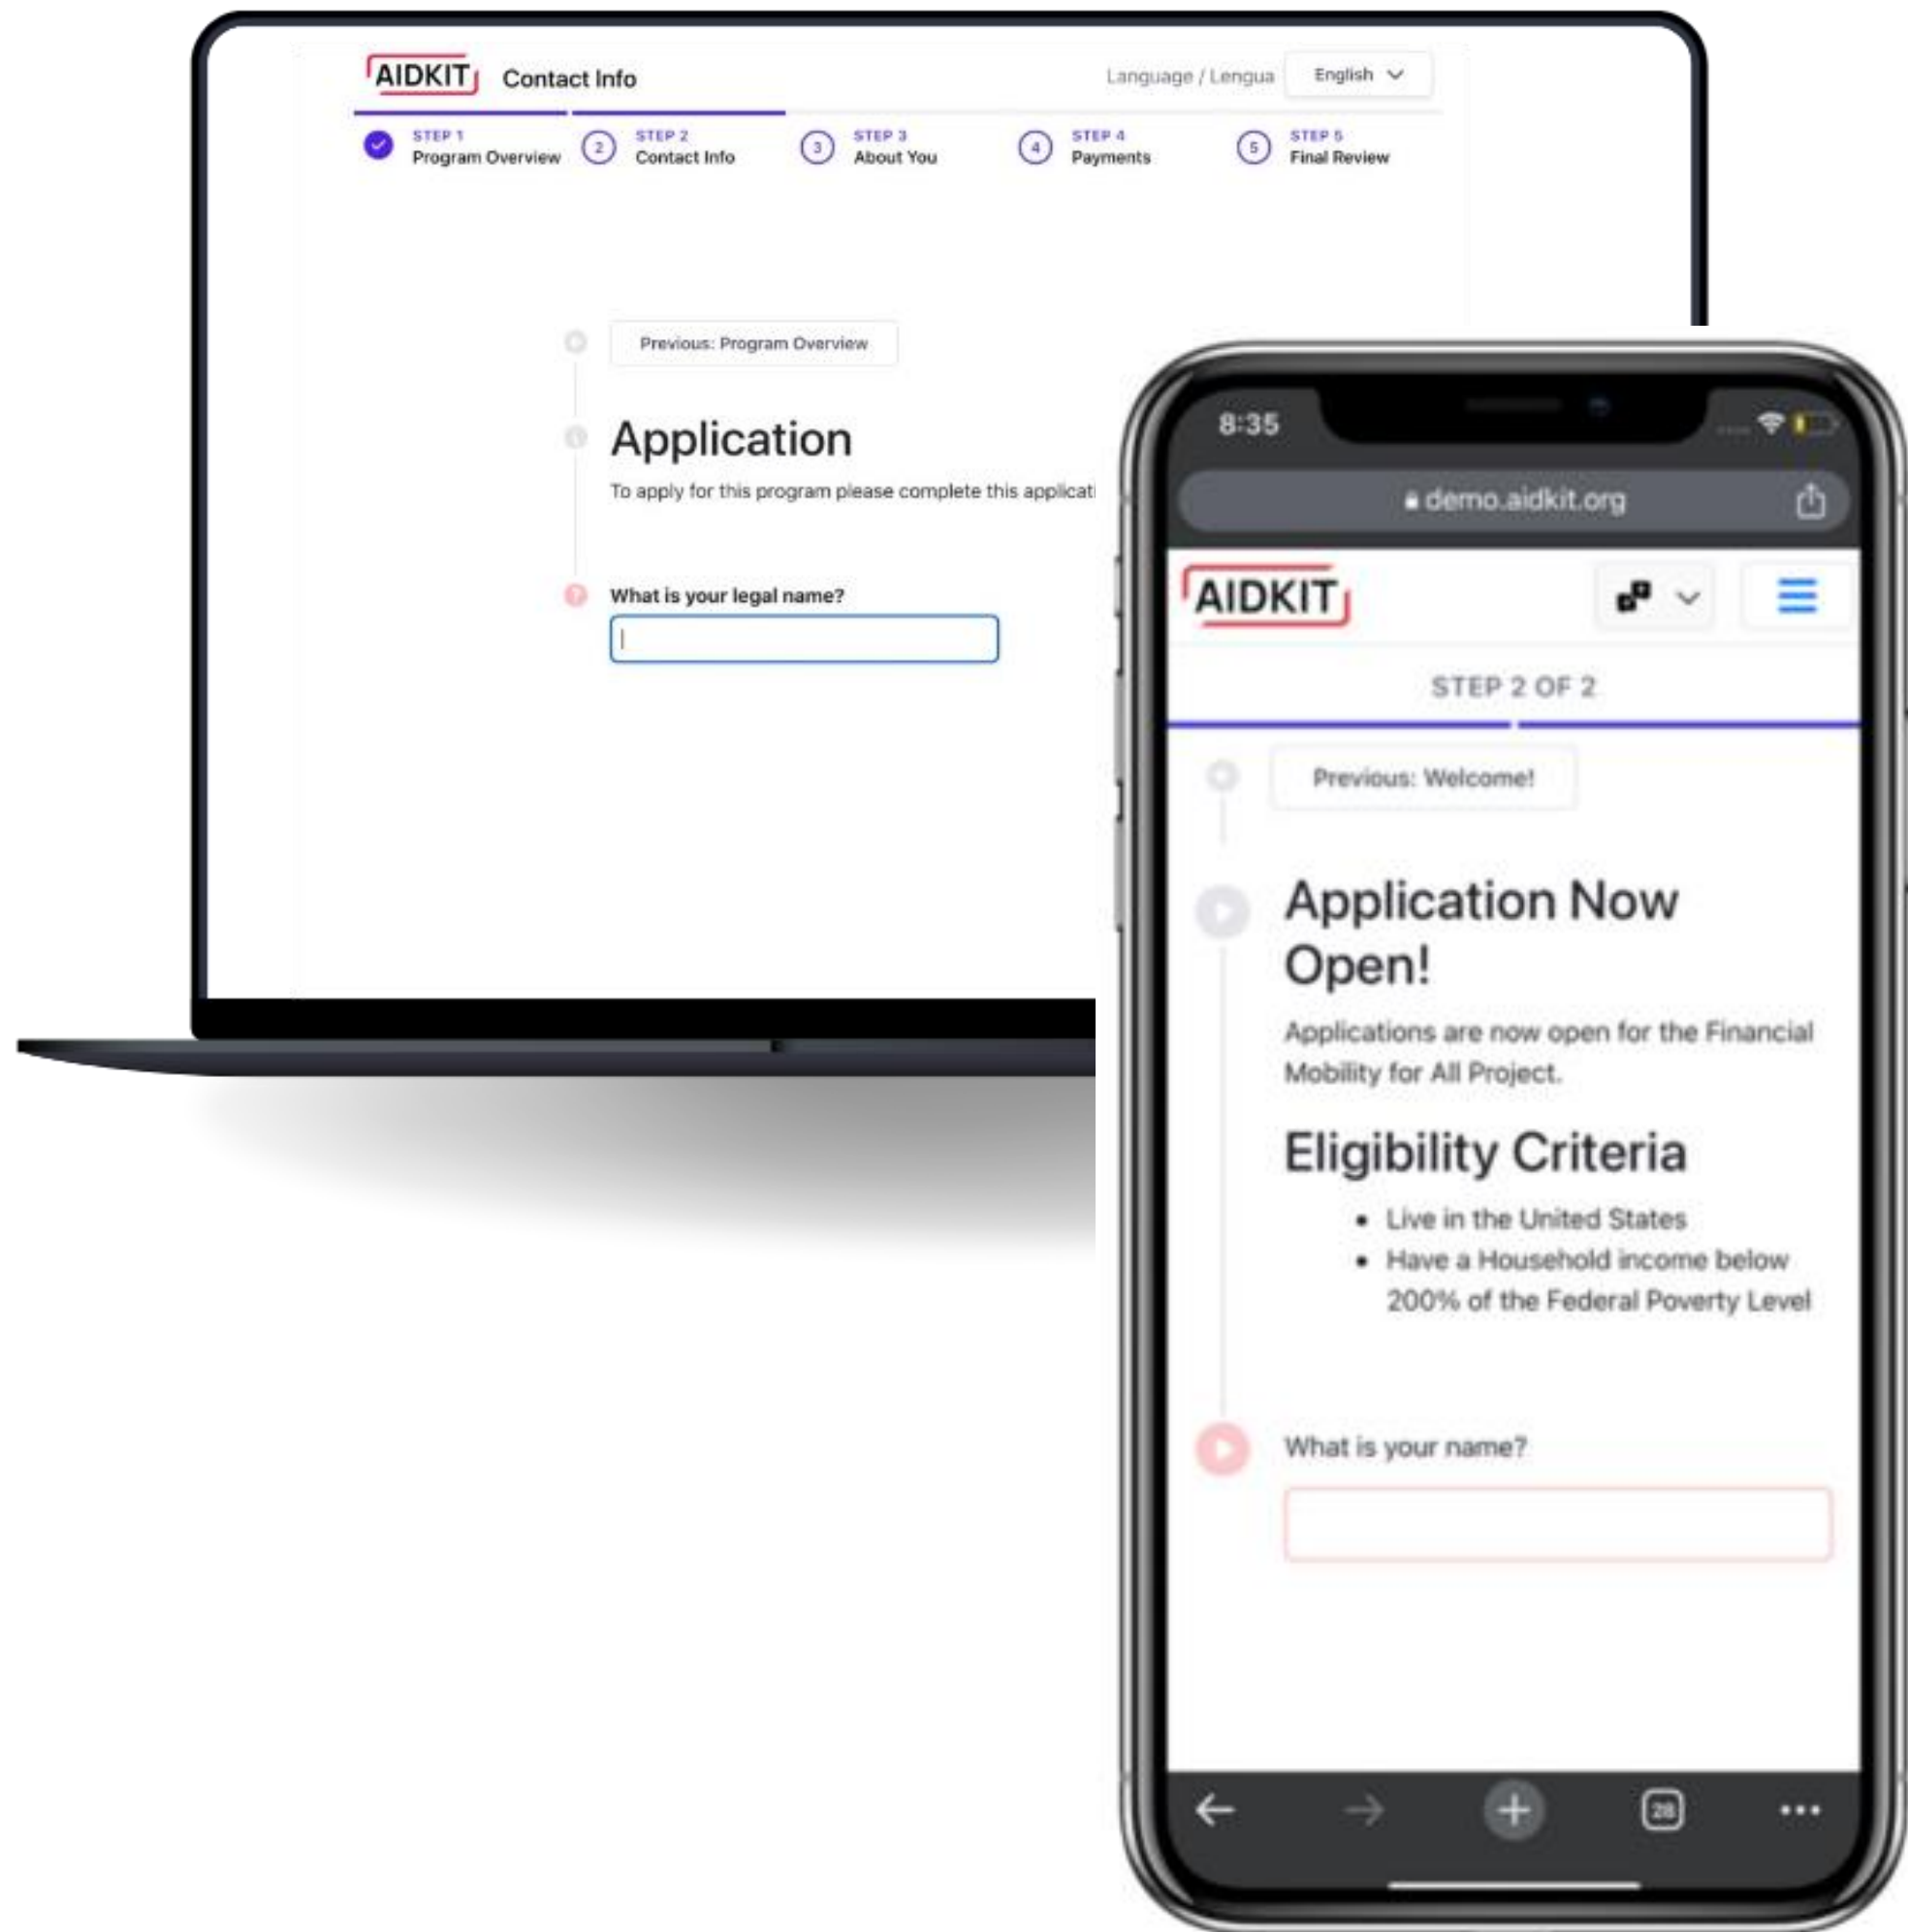

"The application was real simple, took me like 5 minutes. I was denied food stamps this year because I'm missing one more form. This app was so much easier."

-Tiesha, In Her Hands participant, Georgia, USA

AidKit's Product Features
